House of Representatives  
Washington, D.C. 20515

Dear Mr. Chairman:

This is in response to your letter of 2 April 1982, requesting special access for Mr. Garner J. Cline to sensitive compartmented information. We were in contact with Mr. Cline during 1981 in response to your previous letter of 7 January 1981 and advised him at that time of the need for an updated background investigation before processing could be completed. We have again contacted Mr. Cline and he has agreed to request the FBI proceed with the background investigation and to advise us of its completion. Please be assured that as soon as we have the results of the FBI investigation we will process the required security clearances on a priority basis.

Cordially yours,
